Typical older style mallee home set on a beaut size allotment of some 2005m². Located in the quiet rural town of Berrillock. This 3-bedroom weatherboard home has a good size lounge serviced by gas heating and features Dado boards together with open kitchen living. The residence does need some T. L. C. and would be an ideal renovator proposition for the enthusiast. Sea Lake is only a few minutes' drive and has good retail and shopping facilities.
