Just stunning...

This gorgeous modern beauty has everything you need, from four great sized bedrooms to both a front and back deck!

The beautiful and airy living room has fresh carpet, large windows and plenty of space for all of your furniture. This beauty also has a privatised entrance for your convenience. Through to the open plan kitchen/dining are ultra modern floorboards, a built-in-pantry and a brand new fresh white bench top. Truly stunning stuff! Through to the bedrooms are four great sized rooms, all boasting carpet and built-in-robos, with the primary bedroom featuring a walk-in-robe and an ensuite. The centrally positioned bathroom comes complete with a separate bath and shower, a vanity and also has a separate toilet. The large laundry comes complete with back yard access for your convenience.

The backyard is a great space that boasts a cute back deck, a shade sail covering the entertainment area, a garden shed and established lawns and gardens.

Other notable features include evaporative air-conditioning throughout and a double undercover carport.
