This split level home boasts 5 bedrooms over two separate sections of the home. Not looking for dual living and just need the space then this is also a fantastic opportunity for you. The front section of the home is the original section and is easy to maintain with lovely polished floor boards throughout. The second section of the home is very modern and tiled throughout. The home boasts large living spaces. The property features include: * 3 Bedrooms in the front section of the home, all with built-in wardrobes. * 2 Bedrooms in the back newer section of the home with built-In wardrobes. * 2 bathrooms, one in the front section of the home and one in the back section of the home. * 2 modern kitchens, once in the front section of the home and one in the back section of the home. * The front original part of the home is air conditioned and includes a large lounge room, separate dining area and small kitchen. * Relax in air conditioned comfort in the back newer section of the home; the area is very generous in size with an open plan lounge, dining and kitchen. * Cook up a storm in the galley style kitchen with plenty of bench space and modern appliances. There is room for all the pots and pans in this kitchen. * Entertain your family and friends in the large undercover patio area which opens up onto a huge concrete area perfect for a get together. * Take in the sun on the elevated rear deck. * The home is full fenced. * There is a single lock up carport / garage that has private access to the back section of the home. * There is also space for 3 other cars on the driveway and front concrete areas of the home. * The home is set up so that if you are sharing or a large family you can have your individual spaces and private access to each section of the home. * And on top of all these fantastic features there is also plenty of storage space.
