Elevate your Port Douglas holiday experience with this roomy, fully furnished, top floor apartment overlooking the pool at the highly acclaimed Freestyle Resort. The unique dual-level configuration of the apartment provides a great sense of space, while its cool, contemporary, tropical inspired decor complete with feature timber accents makes you feel right at home. The air-conditioned lounge and kitchen space that greets you on entry flows through to the large pool-view balcony where alfresco dining is the order of the day. While Port's wide array of dining options are only a short stroll away, you can also whip up a snack or light meal in the kitchen that comes complete with hotplate, sink, microwave, fridge, dishwasher, ample storage and a servery window out to the balcony. The first of two bedrooms can also be found on the lower level, along with its own private shower ensuite. At the top of the feature timber staircase, the master suite adds a bit of flair with its vaulted ceilings, timber louvre doors, built in storage and large ensuite providing both bath and shower options, along with a handy separate toilet. Conveniently located in close proximity to town, the beach and marina, Freestyle is a popular choice with travellers. With its signature heated pool, elevated spa, timber sun decks, BBQ area, covered parking, guest laundry, comprehensive tour desk and dedicated onsite management team, it's easy to see why the resort has been recognised by Trip Advisor as a Travellers' Choice Best of the Best accommodation provider, ranking it in the top 1% of properties worldwide.
