Discover a truly unique property that seamlessly combines mid-century architectural charm with modern luxury. Homes like this are rare gems not to be missed! This beautifully renovated three-bedroom home is nestled on a spacious hillside block in the coveted Strathmore school zone, offering peace and privacy from the world below along with panoramic valley views, all just 14 minutes from the city, 10 minutes from the airport and a 5 min stroll to Strathmore Highschool. Every season is spectacular in this home. Enjoy an open fire on winter nights, blossoming fruit trees and florals in spring and escape to your very own resort style oasis for the summer, complete with sparkling gas-heated pool and outdoor entertainment areas. Light-filled living areas and bedrooms feature high ceilings with decorative plasterwork, designer light fixtures and polished hardwood floors throughout. Spacious upstairs bedrooms offer generous built-in wardrobes, ample natural light, and uninterrupted views, each with its own unique charm and spaces to sit and take in the breathtaking sunsets. A perfectly appointed kitchen boasts high-end appliances, dual ovens, and stone bench tops. Cleverly designed cabinetry offers both ample storage and accessibility with smart lighting and built-in power for those who appreciate a tidy cooking space. The property comes complete with alarm system, 360-degree HD security cameras and Wi-Fi-enabled smart locks on the front door for added convenience. Plus, the a remote-access, double garage is EV charger-ready and includes loads of additional built-in storage cabinets. Further highlights include luxe bathroom with heated flooring, modern laundry/second toilet, ducted heating and split system air conditioning. The backyard features a professional grade Iron Edge built-in squat/bench rack (option to remove gym equipment if preferred) meaning your gym membership is included! Enjoy easy access to schools, shops, parklands and the Citylink.
