A brand new blend of cutting edge design and contemporary luxury highlights this exemplary four bedroom, three bathroom residence of 32sq. approx. boasting incredible natural light, dual living zones and leafy views. Step through to discover stunning interiors featuring premium floorboards flowing to an opulent living domain enriched by a gas fireplace. Whilst high ceilings, sheer drapes and semi-commercial double glazing bathe the home in ambient light and set the tone for sophisticated living and entertaining. A hub for everyday family life, the high end kitchen is a culinary haven featuring stone island bench and a suite of Smeg appliances including 900mm induction cook top, oven, fully integrated fridge, freezer and dishwasher. Beautiful accommodation comprises spacious bedrooms with either walk-in or built-in-robos. Elegantly served by luxe bathrooms featuring 1200x600 Italian porcelain tiles, Nero tapware, in-wall toilet cisterns and skylights to double rainfall showers in the ensuite and main. Quality extras include ducted heating/cooling with wi-fi remote capability, LED lighting, 3-phase power, 4.6m ceiling in double garage, a low maintenance north facing garden with exposed concrete driveway. In a quiet pocket near parklands, Westfield, Penleigh and Essendon Grammar, St Christophers Primary and freeways.
