I said it once and I'll say it again, there is a lot of home on this 960sqm block of land and it is priced to sell. Hasleby St is the road leading up to the Golf & Bowling Club in the "orginal" area of Kalbarri and Double brick and tile homes in this area are not easy to come by, so take a second to see the potential of this family home. The open-plan kitchen/dining/lounge area features high ceilings and offer's direct access through the French doors out to the patio/BBQ area which is covered and ideal for the Kalbarri style of living and the below-ground pool just completes the package while your enjoying a BBQ and these glorious days that this time of year brings. Things you should know* There are 5 bedroom's or 4 plus office, whichever you require at the front of this home that are separated by an activity room with painted face brick, ceiling fans and A/C* The large master bedroom has a walk-in robe, en-suite with a shower over bath and Glass brick feature along 1 wall giving a lovely natural light to the room.* The Laundry is often overlooked but this spacious laundry has loads of cupboard space and access outside to a decked area for direct access outside.* The living area is open and bright with window's and doors allowing a view to the activity outside, the exposed brick is low-maintenance with the raked ceilings featuring timber beams.* The kitchen features 2 Ovens, Gas cooktop on the bench overlooking the living area so you are not stuck in a corner and of course a dishwasher along with heaps of bench space, perfect if you are into baking.* Outside through the timber French doors is the patio/entertaining area that is covered and ready to take on a new life! Ohhh the potential of this area is only limited by your own imagination and of course the below-ground pool is going to be a crowd pleaser for the whole family. With R30 zoning there is a lot to this property that can only be found upon inspection, give me a call to arrange your own private inspection Cheryl 0427 981 955 Disclaimer: This information is provided for general information purposes only and is based on information provided by the Seller and may be subject to change.
