The bright and fresh interior of this home has just had some updates. You will see fresh paintwork, new floor coverings, some new tiling, new window furnishings, a new toilet, new vanity in the bathroom and brand new split system air conditioning. There are 3 bedrooms, an easy care kitchen with a designated space for dining, excellent bathroom and a presentation that allows you to just move the furniture in. Outside the block is both spacious and secure and it allows easy access for vehicles and alike. A perfect purchase for the first home buyer or investor.
