We are seriously obsessed with the renovations in this house. From shiny floorboards to stone tops in the kitchen there is nothing left for you to do apart from put your feet up and relax. The master bedroom is at the front of the house and has double door entry. You will need a wardrobe but there's plenty of room to put one. Evaporative air conditioning ensures your comfort during those summer months. The guest bedrooms all have floorboards (which are a lot easier to clean) and are located right next to the guest bathroom and TWO toilets. That's almost a toilet per person! The sprawling living area is big and bright with views of the front and back simultaneously. Outside you have your very own oasis. Complete with inground pool, some mature trees, a BIG shed and gated access straight out to the tennis courts behind you. Out front, there is ample parking for extra cars and any visitors. The front entrance is now securely located at the side of the home, next to the secured carport. You are only a walk from parks, lakes, and public transport. You are only down the road from Thornlie Square Shopping Centre, Thornlie Leisure Centre, Thornlie Library and Thornlie Kebabs (arguably the best kebabs in town). Not to mention 5 minutes from Thornlie Train Station. Ideal for first time home buyers, register your interest asap and be sure now to miss out on this one! - Nicola Lee 0413 879 151
