This spectacular property nestled in a peaceful pocket of idyllic Point Lonsdale and just a stone's throw from the beach is a true hidden gem. Lovingly named 'Cumbrae', the home is set on a generous allotment with lush native gardens and sun-bathed interiors ideally suited as a holiday house or dream family home.

At the front of the property, the north-facing front deck leads to the light-filled lounge with a cosy fireplace and a stunning outlook to the established front garden. Timber accents add character to the central kitchen adjoining the living/dining space with expansive windows fostering a connection to nature at every turn. Expertly located at the front of the home, the spacious master with ensuite is a true parents' retreat with the remaining bedrooms located to the rear. Storage abounds throughout plus ducted heating and split system heating/cooling ensure comfort year-round.

Outdoors, entertainers will be delighted by the striking central courtyard with stunning stone paving. Accessible from the lounge and kitchen, it is a superb location for a quiet morning coffee or lively family barbeque. The lovingly curated gardens create privacy and include various tranquil places to relax and listen to the birdsong. The rear of the property boasts established lemon, lime, apple, orange and avocado trees sure to please the cook of the house as well as a single garage, carport and handy garden shed.
