This great family home on this quiet, leafy street has been meticulously maintained and clearly cared for. Classic homes like this in established neighbourhoods are becoming harder to find. Set upon lush, lovely gardens with single carport and single garage, this family home with high ceilings is complemented by a flexible floorplan. Comfortable bedrooms, including the main with WIR are bright and spacious, and the updated family bath is well configured to offer a separate WC. Outside, the established gardens are an attractive mix of succulents, seasonals, and level lawn to accentuate the covered deck for enjoyment year-round. Enjoying remarkable convenience to major arterial roads and highways, with buses along Station Street only moments away. Enjoy the surrounding parklands of Tassells Park Reserve, Springfield Park and Bushy Creek Reserve. Its prized position is also a short distance to Box Hill Gardens and Box Hill Central shopping centre with a plethora of grocery, boutique shopping and dining choices. Enviously zoned for Kerrimuir and Koonung Secondary College.
