In a quiet cul-de-sac, this impeccably maintained family home, located in the sought-after Hastings area, is light filled throughout and will provide its new owners with a fabulous coastal lifestyle. Designed with functionality in mind, the home features a traditional layout that offers spacious living zones perfect for family living, with designated spaces for relaxation and plenty of room for a growing family. As you enter the property, you're greeted by a large lounge that seamlessly connects through to the renovated kitchen, with plenty of bench and storage space and is adjacent to the large dining and family room. Step outside and you'll find a large elevated undercover deck, which is the perfect spot to entertain friends and family. It also overlooks the level backyard and in-ground pool, where you can enjoy a break from the summer heat. Accommodation offers three generously sized bedrooms, including a spacious master suite with ensuite access and a walk-in-robe. The other two rooms have built-in-ropes and ceiling fans. In an idyllic neighbourhood that combines lifestyle and convenience, within 1km are the Waniora Shops and Hastings Primary School, whilst the family-friendly Shelly Beach is 2.9km away and Port Macquarie's vibrant CBD is 3.4kms away. With extras including 6.6kw of solar, ceiling fans throughout and space for a caravan or boat your early inspection is advised. Call Kristian and the team at HEM Property to arrange your private inspection.
