Oohlala This is the gem of the island. Top Location, North Location, Brilliant Location. This is the block for you, don't waste time. Sellers have priced it fair and true to offer you a bargain for what it offers you. You can buy this block today for \$68K. Large 592sqm block 15.1sqm front and rear .39.2sqm deep. Top - North part of the island. Walking distance to all the things you need. 4 minutes to the ferry terminal. Bitumen road is not common, no gravel road with dust when cars drive by. Power pole just in front of block which saves you money. Quiet peaceful street birdlife you will enjoy listening to. New modern homes being built in the street, like minded neighbours who just love the way of island living. This block truly is priced for you to present your offer to buy at \$68K, Listed cheaper to move it fast, It really should be selling around the \$75K+ range. If you are serious to own a fantastic block of land, this is for you. I live, love and work Russell Island. Honesty and transparency we both want so I can help you best matching the perfect property to your needs. I look forward to assisting you further.
