Kings Meadows has always been a sought after location due to its close proximity to nearby amenities and today we are delighted to show you through 22 Opossum Road - a property which could be your new home or next investment. As you step through the front door you are greeted by a spacious lounge room and adjoining sunroom, featuring a wood heater to ensure that you are kept warm all year round. Three bedrooms provide enough private space to accommodate the whole family giving them their own space to relax after a long day. Featuring an original yet functional kitchen and bathroom there is great scope to make this property your own with some clever alterations. Perfectly positioned on a corner block, this home gives you dual frontage to allow more opportunities to maximise natural light throughout the day. The separated single car garage can provide suitable parking or additional workspace, whatever your needs may be. Whether you are a first home buyer or looking to purchase your next family home we recommend making the time to view this property.
