## **STUNNING OASIS IN PARADISE POINT**

Undergoing a stunning complete renovation this double storey home has been transformed into a place you are not going to want to leave! On the upstairs level the master bedroom, large bathroom and hard wood floors await you. A functional kitchen featuring gas cook top, spacious pantry and island bench with wood benchtops is positioned allowing you to keep the family close with an open living and dining space with high ceilings and a cozy wood fireplace.

Stepping through the balcony doors onto a wraparound deck you can take in the view of the lake. Pleasant evenings can be spent deck side enjoying listening to the sounds of nature and gazing over the beautiful established native garden below. The ground floor has a well thought out combined bathroom/laundry and 2 additional bedrooms with finishes you would expect in a 5-star hotel.

This property is immaculate with paths leading you into private little garden pockets. Following the pathway, you head down to the lawn area and can relax under the established large trees. On cooler nights head to the fire pit area which is perfect to sit around on the gabion rock basket seating listening to family stories well into the night.

A simply stunningly renovated house and landscaped gardens, this transformation is a credit to the current owners. With high quality finishes and attention to detail both inside and out what more can you ask for?

With this amazing package the Owners have had a very successful Airbnb campaign with bookings from the Easter weekend until the end of August. Why not turn your Jamieson home into the holiday destination for all.
