If your looking for the best view on the Coast you have to come and see this for yourself. You will be glad you did as Tanby Point is the closest area on the main land to Great Keppel Island, making the beaches and yachts stand out so much more. Plus see just about all the islands in one sweeping turn. It a very popular Estate with many happy families and retirees calling Tanby Point home. Enjoy a easy walk to the two beaches on offer for your morning and afternoon walks, fishing off the point, or a bike ride into town along the pathway. Build the home you have been dreaming about. All under ground services. (Boundary line is guide only)
