Be at one with nature and escape the city chaos to another world upon an elevated garden block surrounded by nature reserve and native Australian bush. This high-set family home has everything the Cherrybrook buyer could dream of with light-filled interior spaces, great entertainment areas and leafy panoramas over the treetops that are simply breathtaking. The immediately appealing property is an absolute standout when it comes to lifestyle positioning, being situated just around the corner from bushwalking trails, and strolling distance to Cherrybrook village shopping, schools and neighbourhood parks. Very private and secluded on a generous 899sqm parcel of land. Great layout featuring a bright open living area, separate rumpus and high ceilings. Orientated to take full advantage of natural light and leafy bush views. An ultra-private backyard with paved alfresco area and saltwater pool. Gourmet island kitchen with granite benches and Miele appliances. Renovated bathrooms, Downstairs home office, sunny northerly aspect. Four oversized upper-level bedrooms, the master has a walk-in robe and ensuite. Solar panels, combustion fireplace and ducted air-conditioning. Auto double garage with internal entry plus a lower ground storeroom. Catchment for Cherrybrook Technology High and John Purchase Primary.
