Architecturally designed, low maintenance and perfectly located double level townhouse. A near perfect location for those seeking to step into the property market or investors expanding their portfolio in a high-yield, fast-growing area. Walk into a modern, fully equipped kitchen set against a generous open living area on the second level. Larger than average bedrooms make this home inviting to all who experience it. Full of light and welcoming, the modern features and comforts of this home are ready to take on a new lease at life with you. One of the highlights of this fabulous family sanctuary is easy day-to-day living with numerous amenities located within walking distance, including Springvale Shopping Centre, Sandown Park Station, several schools and picturesque parks, a library, and much more!
