Why build when you can move straight into a practically brand new home on a corner block. A beautiful north facing lounge is one of two living areas that feature in this home. The Kitchen/Dining/Family is an open plan granite benchtops, large gas stove, dishwasher and a sliding glass door to a covered decking with superb views over towards the Nerrena Hills and Knox's Quarry. The master bedroom has an ensuite with separate shower and a double sink. The remaining two bedrooms both have built in robes and ceiling fans. Being a corner block gives you great flexibility with access and ample room to park a large boat or caravan. Beautifully positioned opposite the Secondary and Primary Schools. Inspection won't disappoint.
