With unimaginable privacy and bushland views, this stunning elevated treed bush block sits proudly on Riverslea Drive, one of the most sought-after and secluded locations in Margaret River. The north-facing undulating block expands across 2010 sqm. It overlooks the nature reserve, across from Warperup Creek (Margaret River) and meandering walking trails. Only a 5-minute drive into Margaret River town centre, this exclusive location is the perfect lifestyle choice, with the convenience of all that Margaret River and the Southwest offers. Please get in touch with Paul Manners, the Space Southwest Property Specialist for a private inspection.
