Step into luxury living perfected in this exceptional two-level brick home situated on a large 807m² elevated block. From the moment you arrive, you're greeted by the timeless allure of the brick exterior, seamlessly blending classic charm with contemporary elegance. The home's inviting facade sets the stage for an unparalleled living experience, where every detail speaks of sophistication and comfort. Upon entering, you're welcomed into the spacious first living room, bathed in natural light and designed for both relaxation and entertainment. As you continue through the home, the master bedroom and freshly renovated ensuite await on your left, offering a private retreat with luxurious finishes and ample space including a big walk-in robe, for rest and rejuvenation. Descending the stairs, you'll discover three additional bedrooms, each thoughtfully positioned to maximize comfort and privacy, all with fans and built-in robes. Whether for family members or guests, these bedrooms offer a serene escape from the world, providing a peaceful haven for restful nights and rejuvenating mornings. The heart of the home lies in the breathtaking open living plan, where the second living area seamlessly flows into the kitchen and dining space. Here, modern design meets functionality, creating a hub for daily living and lively gatherings alike. With high-end appliances, ample counter space, and a spacious layout, the gourmet kitchen is a chef's dream, while the adjacent dining area provides a welcoming space to gather with loved ones and enjoy delicious meals prepared with care. The high vaulted ceilings offer architectural design to the well-thought-out house design. Venturing outside, discover the expansive outdoor spaces designed for relaxation and entertainment. The lush landscaping and sparkling pool invite you to unwind, while multiple entertaining areas offer endless opportunities for enjoyment. Additionally, the outdoor area features a fully equipped wet bar, perfect for hosting outdoor gatherings and enjoying refreshing beverages in the sunshine. Let's not forget the eco-friendly features of this home - it boasts 26 solar panels running on a 6.5 kW system, ensuring energy efficiency and sustainability for years to come. The extra large double garage offers more space than your standard garage, and the separate parking space up top allows for a caravan, boat or the extra car if required. The property also boasts an external multi-purpose building, perfect for use as a home office, gym, or art studio, providing versatility and convenience tailored to your lifestyle needs. Convenience is key with a prime location that puts everything you need within reach. High schools, primary schools, daycares, a bustling shopping center, and a variety of eateries are all within walking distance, ensuring that everyday essentials are always close at hand.
