You must see this attractive ½ acre block situated in the lovely township of Liston, just over the border and 15 minutes from Stanthorpe. Whether you are looking to build your dream home or simply secure a piece of this beautiful area, you will enjoy the delights of country living and a tightknit community. This lovely block boasts its very own little stream and gorgeous gum trees, and with Liston being located amongst the tributaries of the great northern rivers system, the most wonderful national parks and some of the most beautiful country in Australia, you will never be disappointed with your surroundings and all it has to offer. The property is located within 100m of the town park with BBQ facilities and the community hall which holds regular activities for community members. With blocks of this size becoming harder and harder to come by, it is recommended that you book an inspection with Geoff without delay – 0409 947 717 or geoff@georealestate.com.au.
