This tidy little gem is located just around the corner from the Woolworths precinct in Paddington. This location affords a lifestyle of being close to all of the cafe society and entertainment precincts whilst being able to walk everywhere, including to the City. Beautiful polished floors and clean and fresh inside this two bedroom house is perfect for inner city dwellers or a young family. The kitchen is modern and functional and the open plan living and dining areas open to a massive deck. The property is very quiet and secluded with a tropical low maintenance rain forest backyard that offers shade and privacy. There is a second outdoor area downstairs for extra room which is perfect for activities such as pool or darts or kids swings and toys.
