Located in central Australind, close to schools and all of the towns amenities is this large brick and tile home. A massive 207 sqm of living with formal areas, big open living and games room. The master bedroom suite is like a hotel room with a wall of robes and open ensuite with corner spa bath. The kitchen is huge with loads of bench space, large fridge/freezer recess and corner pantry. Step out to the patio from the games room where you can overlook the reticulated lawn and gardens. A gate leads through a carport and into the rear where a good sized 7.3m x 6m powered workshop is unobtrusively located. There's also extra parking at the front of the property.
