Are you looking for a nice, comfortable home with large gardens and producing fruit trees? This home has some gorgeous features that you will love. Open your front door and be greeted by a large, warm light filled living area, overlooking an outdoor pergola, able to be used all year round. It will certainly increase your living areas. Golden hued timber floorboards glow throughout your new home, even in the bedrooms. All bedrooms are a good size. Main bedroom has an ensuite for your privacy and convenience and a great sized walk in robe as well. Kitchen is modern, with a gas cooktop and lots of bench space and storage. Enjoy two large living areas, and the front lounge room opens up onto that fabulous outdoor area previously spoken about. Large 4 car carport, or shaded area for the Christmas do! By all accounts the neighbours are long standing and sensational in this quiet and safe street. Please email your interest in this property. No open inspection times will be advertised on line, only to those who kindly register. Thank you for understanding this request.
