\$679,000 - \$719,000

This home really does have everything you need for the growing family at an affordable price. There are four bedrooms, great for accommodating all the family. Two of these bedrooms have ensuite bathrooms, providing added convenience and privacy. In addition to the ensuites, there is also a renovated family bathroom, ensuring there are enough facilities for the family. An additional room connected to the master bedroom which can be a useful feature for those who work from home or need a quiet study space or nursery. The kitchen is functional and includes a large walk-in pantry, excellent for storage and meal preparation. The proximity of the laundry to the kitchen can make household chores more convenient. The main living areas are open and spacious, which provides ample space for family gatherings and activities. It also connects to the kitchen and dining area, making it a great space for entertaining. The unique slate flooring and quality carpet add a touch of style and comfort to the house. The inclusion of ducted heating and refrigerated cooling ensures that the house remains comfortable throughout the year, with efficient heating in the winter and cooling in the summer. The large double garage includes an additional single car garage that has been converted into a man cave/room with added storage. This extra space can be used for various purposes, from a hobby room to a home gym or additional storage. There's an outdoor undercover entertaining area, which is perfect for hosting gatherings and enjoying the outdoors even in less favourable weather. The presence of a grassed area provides a safe space for children and pets to play and run around. An additional garden shed can be used for storing gardening tools and equipment. Overall, this home offers a variety of features that cater to the needs of a growing family, combining functionality, comfort and outdoor space. Make sure you book in for your inspection today.
