If you're looking for a home to start your property journey, look no further. Sitting on a great sized block, 611m², this cozy home offers plenty both inside and out. The wooden sliders leading into a TV/games room is where you will find three of the four bedrooms. A great area to close off when needing that separation from the lounge room, both parents and kids can relax in their own space. The main bedroom has great storage and an extra room, earmarked to be an ensuite, could be that 2nd bathroom that you have always wanted. A comfortable lounge room with lots of natural light, is central to the home and here you will find the kitchen with ample bench space leading outside to a huge undercover verandah, plenty of room to entertain. Head downstairs to find the well-designed circular seating and fireplace, relaxing into the evening amongst a backdrop that is pretty and peaceful. For those who love fresh eggs, the chickens will enjoy the fenced yard out front and their 'chook house' is ready and waiting. Complete with solar panels it is ticking a lot of boxes. Location wise you can walk to town, train and bus stations. Schools, hospitals and all the big supermarkets are within 5 minutes drive.
