Perched in a coveted position, this 4-bedroom residence is a testament to luxurious living with breathtaking north-facing views of the majestic Macedon Ranges. The perfect fusion of country comfort and scenic beauty, this property offers a lifestyle that captures the essence of tranquillity and convenience. Embrace the day with north-facing views that stretch to the Macedon Ranges, setting the tone for a home where every moment is framed by the beauty of nature. A spacious main residence featuring 4 bedrooms, 2 bathrooms, plus double carport, this home is designed for seamless family living. Three distinct living spaces, including a split-level lounge, create an atmosphere of openness and comfort. Discover timeless charm with a bay window gracing the dining room, step lounge/games room with open fireplace, creating a cozy ambiance for gatherings and special occasions. The heart of the home lies in the timber kitchen/meals area that opens to a timber decking that overlooks the picturesque Macedon Ranges. A perfect space for alfresco dining and entertaining. Enjoy year-round comfort with wood fire coonara, plus multiple reverse cycle split systems, ensuring the ideal temperature regardless of the season. The property is equipped with 21 solar panels, reflecting a commitment to sustainable living and energy efficiency. A sizable machinery shed stands ready to accommodate your tools and equipment. Ideal for hobbyists, storage needs, or potential workshop space, this addition enhances the property's functionality. A separate self-contained unit with 1 bedroom, kitchen/living area, and a bathroom with laundry facilities adds versatility to the property, providing a private retreat or potential rental income. Benefit from town water, ensuring reliability and convenience. Easy access to the Calder Freeway makes commuting a breeze, while a short drive takes you to Gisborne town centre, renowned restaurants, primary and secondary schooling, and major banks.
