One of Sydney's most celebrated residential buildings, The Hyde combines visionary design with exceptional facilities to create a world-class city address. Facing due north, this tightly held apartment enjoys spectacular elevated views over Hyde Park to the harbor and city icons that transform into a magical light show by night. A welcoming, spacious, bright and elegant lobby complete with water features creates a peaceful and relaxing haven. The location of The Hyde is highly sought after, situated in the heart of the city with Hyde Park and Museum railway station on your doorstep, a walking distance to the Museums, Domain and shopping scene, not to mention the cafés, restaurants, and amenities the neighbourhood has to offer.
