Ingenia Holiday Park Byron Bay's has 28 acres of parklands and fronts onto the famous Tallow Beach. Being only a short five-minute drive out of downtown Byron, you'll be close enough to the action, yet far enough away to feel like you can truly unwind. You won't just share the park with human neighbours; it's not uncommon to spot wallabies, echidnas, koalas, native birds and even whales during migration season from the park's footprint. In between wildlife spotting and doing what visitors do best at Byron – taking the Lighthouse walk, indulging in local café culture or swimming its famous shoreline – explore the park's facilities which include a retro swimming pool and café.
