Here is an amazing opportunity if you are looking for some local land to be creative or a place for the whole family to grow. Nestled in the sought after location of Sunshine Acres this parcel of land is 4.24Ha or just over 10 acres and needs some attention. Subdivide or create your own dual occupancy situation this property lends itself to so many possibilities. There is a home on the property that needs to be rescued/renovated. In addition, there is double lock-up garage with power and a large workshop area ready for those who tinker or fabricate. 2 dams are on the property and those who can do a little work will see the value in a property like this. Inspections are invited and all written offers are passed to the owners for consideration, don't wait 10 acre lots don't come up that often, call today.
