We invite you to come inside and see for yourself, I'm far bigger than I look with room to expand! If you're looking for old charm with a renovation and nothing more to do this could be exactly what you have been waiting for. This home oozes street appeal, CBD location, big back yard for the trailer, boat or granny flat (STCA). This one won't last long; an inspection is a must to fully appreciate this beautifully restored property. What we love about the property:

- Thoughtfully and carefully revived and restored, each detail added to enhance modern living, to always keep within character
- Timber flooring, detailed ceilings, picture rails, intricate timber detailing
- U-jay board panelling and plantation shutters
- Elegant timber floorboards - a warm & welcoming first impression for you & your guests
- Stylish kitchen with stone bench-top and walk-in pantry
- European style laundry - efficient and space-saving
- Studio room in rear yard allowing a workspace or additional living area

Don't miss out on the opportunity to make this exquisite property your own. Contact our team today to arrange an inspection and experience firsthand the unrivaled quality and superb character that this remarkable home offers.
