Who would have thought you could get such a peaceful parcel of land with house and acreage so close to everything we need? Right here in Drysdale we are now offering to the market this four-bedroom home on two acres (approx.) with room to move. Exceptionally well-maintained home that provides your own private oasis. The house is nestled in amongst trees and garden beds with its two well fenced paddocks could support a horse or other livestock. This perfect location could provide the lifestyle you have dreamed about. The kitchen is in the centre of the house with main bedroom, ensuite and two living areas on one side. The other side of the kitchen has three bedrooms with BIR's, with second bathroom. Dual living is possible here. Outside there are many spots to sit and enjoy the abundant birdlife from the adjacent McLeods Waterhole. Ample shedding to keep the ride on mower and gardening equipment. Double garage with large room on the side that would make a great rumpus, studio or theatre room. Extra car accommodation is a double car port at the front of the garage and this property has dual access between Jetty & Connors Roads. I can't wait to show you this quiet and peaceful property with room to move. Call to arrange a private inspection to experience an acreage that is close enough to everything that provides all of your amenities for daily living, recreation and relaxation.
