Welcome to the Everly, a home that's as inviting as it is stylish. Nestled within the tranquil surroundings of Lake Treeby estate, this abode is designed for every life stage. Approaching this home, you'll be wowed by that trendy vertical cladding – modern elegance that continues throughout. Step inside, and a unique curved wall greets you, setting the tone with a sense of spaciousness and openness right from the start. The heart of this home beats within the open-plan living, dining, and kitchen area, a space designed for those who know how to have a good time. The kitchen is a chef's dream, featuring Weathertex cladding on the kitchen island breakfast bar, complete with a waterfall edge. And storage? You've got it, with a roomy pantry and plenty of overhead cupboards. But that's not all! At the front of the house, you'll discover a dedicated theatre room – a perfect spot for the kids to watch their favourite movies or for cozy movie nights.*Images depicted on this site are for illustration purposes only.
