A contemporary design significant style, this dual level residence's indoor luxury is complemented by the low-maintenance appeal of its north-facing outdoor spaces - the combination performs perfectly! Downstairs living and dining areas featuring timber flooring include a kitchen equipped with a central island, stone benches and stainless-steel appliances before revealing a secluded courtyard retreat. A second living zone and an elegant, elevated terrace accompany the upstairs level's 3 bedrooms and 2 bathrooms, including the main bedroom's sophisticated ensuite. Every room, both upstairs and down, enjoys its own heating/cooling. The property is also fitted with solar panels allowing for significantly reduced costs in electricity. Secure garaging accommodates 2 cars. Reach the beach, schools, shopping and transport with ease.
