Step into the heart of Walcha and discover the epitome of comfortable living in this three-bedroom, two-bathroom home with a two-car garage. The soul of this residence is the well-designed kitchen, featuring a large bench and a walk-in pantry that seamlessly opens onto the expansive open-plan living and dining areas. A true hub for family gatherings and entertaining, the kitchen invites you to create culinary delights while staying connected with the rest of the home. The master bedroom serves as a private retreat, offering tranquility and comfort. This spacious haven includes a walk-in robe and a beautifully renovated ensuite bathroom, providing a touch of luxury for the lucky occupants. The thoughtful design ensures that the master suite is a sanctuary for relaxation and rejuvenation. The two additional bedrooms are equally well-appointed, each featuring built-in robes to maximize storage space and keep the rooms organized. Whether used as bedrooms for family members or transformed into a home office or hobby room, these versatile spaces offer flexibility to suit various needs. The seamless flow from indoor to outdoor living is enhanced by a charming porch, providing an inviting space to enjoy fresh air and outdoor activities. Imagine sipping your morning coffee or hosting a barbecue on this delightful outdoor extension of your home. With the added convenience of a two-car garage, this property offers both security for your vehicles and additional storage space. Perfect for families with multiple cars or those who appreciate the extra room for hobbies and equipment. High-performance solar panels adorn the roof, elevating your lifestyle to new heights of eco-friendliness and energy efficiency, another standout feature of this home. Nestled in the heart of Walcha, this home not only provides a comfortable and well-designed living space but also grants you access to the charm and convenience of this beloved community. Don't miss the chance to make this three-bedroom home with two bathrooms and a two-car garage your own - a haven where style, functionality, and location converge seamlessly.
