SOUGHT-AFTER PARADISE PENTHOUSE

When it comes to Port Douglas penthouses, few can compete with the luxurious vibe and stunning views on offer at 227 at the Pullman Sea Temple. A beautiful piece of tropical paradise, this property is ideal for future homeowners seeking the ultimate getaway location with the option to turn a great profit on the highly lucrative holiday rental market.

With its comfortable two bedroom, two bathroom layout and light-filled open floor living and kitchen area, this apartment suits those in pursuit of a quiet haven with the option to host family and friends. The spacious rooftop entertaining area complete with a fully turfed patio, sheltered BBQ area and private spa make it the ideal place to relax or host guests for lunch al fresco or sunset drinks. 227 is located in one of the more private areas of the resort away from the popular pool bar.

Future owners will have uninhibited access to the Pullman Sea Temple restaurant, day spa, concierge service and most significantly, its stunning lagoon pool and pool bar.

Penthouse 227 is located at one of the Resort's most sought-after locations; literal steps from iconic Four Mile Beach. It offers one substantial garage for convenient parking and storage. With full residential and holiday-let zoning rights, future owners will have flexibility that few other Port Douglas properties do.
