Set on 3.3 acres, this is an ideal home for families or those seeking ample room to spread out. This well-designed property features four bedrooms, all equipped with built-in robes for convenient storage. The master bedroom boasts the added convenience of an ensuite bathroom and a walk-in robe, providing a private retreat for the homeowners. A light filled front lounge then moves into an open plan dining/lounge that is overlooked by the kitchen. Towards the back of the home is three other bedrooms, all with built-in robes. There is a large reverse cycle split system and a gas wall furnace providing year-round comfort. A double carport provides convenient parking, protecting them from the elements. Located on one corner of the U-shaped block is the home. There is a 6mtr x 9mtr shed with a concrete floor, a mud brick chook house and towards the back of the block is a dam so there is plenty of room for further shedding or a multitude of options.
