\$930,000

Located 12 km west of Moree in the esteemed Bendygleet subdivision, "Kinneil" has been formerly operated as a tourist venue with planted grape vines for the vintner enthusiast. The property is well established with an equipped bore, three bay shed, 10 kw solar panels and spacious residence to call home. Offering four bedrooms, main with ensuite and walk in robe, air conditioned throughout plus a gas fireplace, the kitchen-informal living area enjoys vistas of the vineyard and leads directly to the northern front deck whilst there is plenty of alternate formal living space including a dining and lounge room which affords enough room for a billiard table which is included in the sale. A carport is under roof and the laundry includes a 3rd toilet. This is an opportunity to purchase a family home or an active retirement lifestyle. Being offered in conjunction with North West Real Estate.
