Set towards the front of this 1144 square metre lot leaving plenty of room for redevelopment is this charming cottage with verandahs front and rear. There is excellent access past the home to the old shed at the rear of the lot. The front verandah gives shady access to the front entrance of the cottage where you step into a large open plan kitchen/dining/living area. There are two good size bedrooms with a third single bedroom or study area off the rear verandah. This room can also be accessed from the lockup single garage. The laundry and toilet are situated alongside the bathroom which has a bath and shower. Plan for the future...live in the cottage whilst you develop the rear or simply enjoy a lovely cottage on a large lot with plenty of fruit trees. Phone Marlene Chaushs to inspect today on 0418 471 139
