At a glance - Renowned Mornington Peninsula holding- Brilliant architecture, breath-taking views- 32 acres approx. with studio and stables- Flinders village less than 5 minutes away
Abode NUKKLGUP, undeniably one of the Mornington Peninsula's most remarkable properties, delivers luxury and lifestyle with unrivalled flair. A residence defined by sensuous curves, stunning textures and spectacular views features spaces where to stop and stare is totally forgivable, in fact completely understandable. The presence of a self-contained studio, five bay stable complex, machinery shed, the lake and its boardwalk lead a fabulous list of attributes. Area From its elevated Bald Hill site this stunning property watches the waters of Bass Strait and looks across a rolling landscape towards Phillip Island, Seal Rock and The Nobbies. The views, in every direction are arresting. Flinders village is less than five minutes distant.
