One30 The Esplanade has long been one of Darwin's most sought after condominium style developments and Apartment 228 is one of the best in the development. Located high on the 14th level on the western side of Tower 2, it commands breath-taking views over the harbour, Larrakeyah, Cullen Bay and the Cox Peninsular. Internally, the huge 243m² floor plan encompasses stunning open plan living, a huge gourmet kitchen, separate dining area (with its own amazing views) and a completely separate second living room. All three bedrooms are double sized and can easily accommodate king sized beds with the main bedroom featuring a vogue style walk in robe and ensuite with his and hers basins. There is also a huge walk in linen press with extensive storage and space for a second full sized fridge. The complex itself is impeccably maintained and boasts two swimming pools, one resort style and one lap pool, a fully equipped gymnasium and a full sized tennis court. Apartment 228 One30 The Esplanade also boasts one of, if not, the best location in Darwin. You are parked right on top of the expansive Bicentennial Park with its extensive walking tracks, playgrounds, exercise equipment, open spaces for kicking the footy or throwing the Frisbee and stunning picnic spots. You can walk down to Cullen Bay and enjoy all the amazing restaurants or walk in the other direction and enjoy all that the Waterfront Precinct has to offer. Not to mention being right in the heart of the CBD. There is no doubt that One30 is one of the best in Darwin and apartment 228 is one of the best in One30.
