This fantastic opportunity is ready for someone to rebuild their dream family home or redevelop 2 side by side family homes on their own title (STCA). On a generous allotment the current house includes two bedrooms, central bathroom, bright living room, and kitchen/meals. Outside, a large garden offers excellent space to expand or redevelop with a full side drive and garage. This is a rare opportunity to secure a site in this well-regarded pocket within a community well-known for its vibrancy and great local amenities. Conveniently located, it is in a tightly held residential pocket close to Thornbury High School, transport and local shops and cafes and easily accessible to Northland Shopping Centre and Station Street Village. A wonderful opportunity to create your own dream home - not to be missed.
