## **Under Offer**

The property has all flat surrounds and easy access to the home and garages. The home is very neat and affordable for a young family to enjoy with the rumpus or second living area plus a glassed entertainment area that is ideally located close to the rumpus room and makes a great spot to dry clothes. The home has a great layout and is conveniently just out of town. The home gets the sun all day and the sealed surrounds for children to ride a bike etc. and very little lawn to mow. There are extra sheds for wood and lawn mower/garden tools. The garage has a toilet and a free-standing wood heater.
