An exclusive Brunswick East neighbourhood provides the perfect setting for this ultramodern home delivering a lifestyle of executive perfection with its stunning architecture, flexible floorplan and profusion of natural light throughout. Absolute quality at every turn, the vogue interior showcases three well-proportioned bedrooms with mirrored robes complemented by two beautiful bathrooms (ensuite to main) and guest powder room. An upstairs study/retreat adds flexibility to the design along with a spacious open-plan living/dining area adjoined by a thoughtfully-designed kitchen with stylish stone surfaces, Smeg/Bosch appliances and butler's pantry with second sink. High ceilings, zoned heating/cooling, solid hardwood floors, solar power and double-glazed windows all add to the allure. Bi-fold doors effortlessly connect the living area to north-facing entertainers' oasis with extensive decking and established perimeter gardens and outdoor kitchen, plus the advantage of a front carport. Cafes, bars, Nicholson Street trams, local buses and Merri Creek trails are all within easy walking distance, along with close proximity to popular schools (zoned to both Brunswick East PS and Northcote HS) and the open spaces of Fleming Park.
