A home that stands out, a home one feels as you enter via the wide, welcoming foyer a deep sense of quality, not only in the construction, but in the attention to detail in its construction. High Ceilings throughout, exemplary storage also with in this well planned space. Four spacious Bedrooms, the Master Bedroom suite here has the space, the Ensuite to die for and ample robe and built in duchess. Our Kitchen, Dining and Everyday Living will afford you incredible space, coffered ceiling, a Butler Pantry, there is a second generous Media Room or Rumpus Room area, a designated and beautifully built in Office. This home was built by renowned Toowoomba Builder Group, Top of the Range Builders. They are bespoke builders, with a reputation for quality and generosity of space. Here you have ample garage accommodation for five or more vehicles, depending on their size, remote double garage to residence. This also has a double glass door and a full rear wall of storage. Earthworks undertaken recently to top dress and grass up, this is a gift this property, one for those who want new, contemporary, those who want stunning to develop over time as they wish. This IS classy, highly desirable indeed, coupled with Location, Location, Location... Call Leanne to schedule your private viewing.
