Flawless with its stunning contemporary detail and offering generous proportions that will excite families, this architecturally-designed 3 bedroom + study 2.5 bathroom residence has all the stylish bells and whistles while not compromising on quality. American Oak flooring, sleek matte-finished stone, and designer lighting are just a few of the first class details that make up this memorable abode. You're not short of space in the immense lounge and dining zone, that incorporates the magical kitchen which promises a waterfall island bench, integrated fridge/freezer, and elite ASKO appliances. The enormous upstairs master bedroom gets wonderful light from the north while also boasting a deluxe ensuite. A downstairs office/study also take advantage of a northern orientation, while also enjoy a designer bathroom and powder room, integrated reverse cycle heating/cooling, ducted vacuum, camera security, video intercom, covered back deck and private garden with mature trees, single garage and much more! Ideally located near Centre Road restaurants and cafes, East Bentleigh Primary School, Bentleigh Secondary College, St. Bede's College, Centenary Park, and local transport. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
