Stand out from the crowd with a premier streetfront position, garden views at every turn ...and barely a shared wall! In the flagship ground-floor front position of this iconic garden-centred mid-century group, this freshly styled two bedroom apartments stands apart with wide windows for every room, sunny green views all around ...and just one direct neighbour. Shining with a direct sunset view for the well-equipped kitchen with meals, this freshly painted, newly-floored apartment sparkles with a stylish fully-tiled bathroom (with mirror-storage and full-sized bath), and bright new style including all-white style, hardwearing new timber-look flooring, and privacy-enhancing timber venetian-blinds. Ready to move in or rent out with reverse-cycle air-conditioning plus low-energy panel-heating, and great storage including full-height mirrored robes, this big brilliant apartment has clever touches including re-fitted extra-deep window-ledges - doubling as baby-friendly display storage! Even the car accommodation is superior here with the easiest-access carport of a 'secret' rear carpark shared with just two other vehicles! With all you could need in a handy local shopping strip at the end of the street, this stand-out streetfront home has an outstanding position. An easy walk to the station and restaurant hub, this bright Bayside apartment is a few minutes down South Rd to Brighton beach, and within easy reach of Hampton St's café society, and Church St's blue-chip shopping strip!
