An immaculate 2 bedroom townhouse with a double garage in the very sought after "Norfolk Place" is now offered for sale by auction. Light, bright rooms with picture windows offer a feeling of space with the 2 bedrooms serviced by a semi ensuite bathroom. The kitchen sits at the heart of the property and overlooks the dining room, rear yard and the lounge, so the chef can be involved in conversations while entertaining. For the security conscious the double garage offers direct home access and the north facing backyard is well fenced and very private. All this is located a short walk to the foreshore promenade, Warrnambool CBD and surrounded by the beautiful gardens and playground for the grandkids at "Norfolk Place". This property is to be sold to finalise an estate and inspection is a must as you will discover an immaculate home in a desirable location.
