Everything about this brilliant two-storey property is up-sized: the versatile floorplan with four massive beds upstairs and a fifth below - all with excellent built-in storage, the above-standard 2.6m ceiling height on both floors, and the spacious 12 sqm outdoor entertaining area overlooking a superbly private and verdant back garden. Highlights:- Designer kitchen with Bosch appliances, sleek stone benches and soft-close cabinetry - All-season comfort with ducted reverse cycle AC + ceiling fans in every room - Modern timber flooring through the downstairs social spaces, plush carpet in the bedrooms- An idyllic north-facing aspect in a complex with low Body Corporate fee - Walk to Logan Rd buses or a sub-5 drive to Warrigal Sq, EMP State School, Runcorn Plaza Townhouses this big aren't in huge supply so this beauty will generate plenty of interest - and justifiably so: its looks match its size in every way! The main entry sits between a luxuriously large double garage with remote access and the downstairs bedroom with an outlook across the front of the property. Inside, stunning timber floors span the central hallway, running past a fully appointed bathroom and a laundry capable of keeping a large family in clean clothes, into a light-filled combined living, dining and kitchen area. What a space this is! Positioned to one side, the kitchen entices you to explore its stylish surrounds where abundant cabinetry closes with a gentle touch of the hand, mod cons bear the top-end Bosch brand name - including the dishwasher - and slick matt-black track lighting system shines a spotlight over the stone-topped breakfast bar and surrounding bench tops. Kept all-season comfortable thanks to ducted A/C throughout the home and ceiling fans, there's also the option to slide open the screened glass doors separating the living/dining area from the covered alfresco entertaining patio and let nature wave its cooling wand! We love too that all the windows and doors in this area have easy-pull up/down blinds that you can draw down as you wish. If you like to keep things open, you'll quickly appreciate that this property's grassy backyard is incredibly private with perimeter fencing and established garden beds creating a natural buffer from neighbours. Back inside, a carpeted staircase leads upstairs to four fan and A/C cooled bedrooms. Three have built-in robes and share use of a chic bathroom at the end of the hallway, the toilet conveniently located in another room, while the massive master has a big walk-in wardrobe and a fabulous ensuite with twin basins in a floating vanity with matching mirrors, and a frameless glass, full-height tiled shower enclosure that includes a sumptuous bath.
